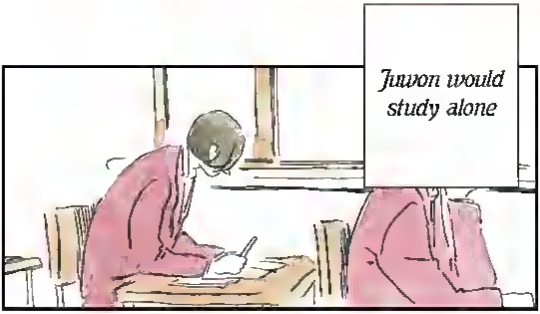
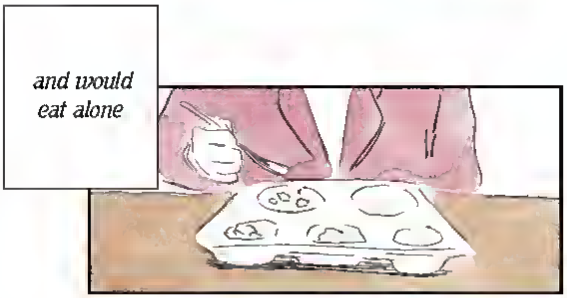
The Last Chapter

How many times did I recall those faded memories..





I constantly

would spend time with Yeonseong

During that time, something must've been piling up in Juwon's heart.

How cowardly I must've seem
that day in Juvon's eyes.

I wouldn't be surprised.

I must've been despised.

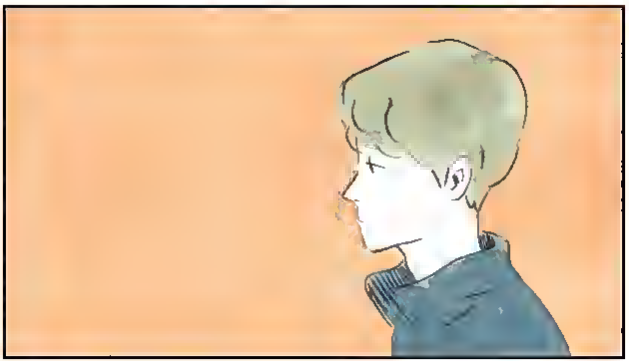
DING DONG

Here

You don't have to take care of me like this
No, I was gonna throw them away anyway

I've been thinking

You know
Being smacked around might help my recovery
What do you mean, is that what you want me to do?



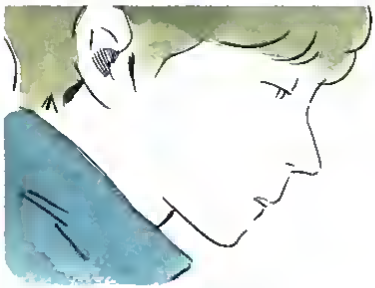
When it gets cold,
it reminds me of last year
After Yeonseong's funeral, Choeun told me...

It was her fault
that Yeonseong died
I then told Choen that
everything that happened in those days just happened to coincide

But I could never free myself from thinking

If I hadn't gone to see Choeun at the hospital,

then I wouldn't have told Yeonseong I saw Juwon there



I watched her crumble away from the guilt and longing for Yeonseong

I didn't know how I could console her

So don't think I'm doing this completely out of good will

SO YOU DON'T HAVE TO THANK ME FOR ANY-THING!
GOT IT?!

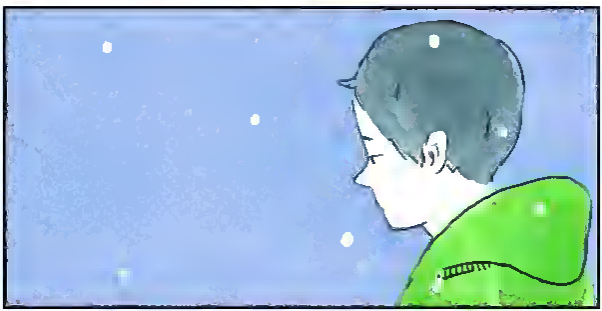
O Okay

And then

the first snow fell

What a strange twist of fate
The first snow also fell during Juwon's funeral

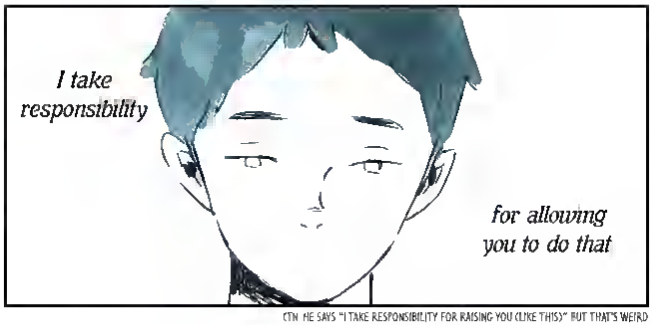
Then I said,



"And it's the day
Yeonseong died."

And...

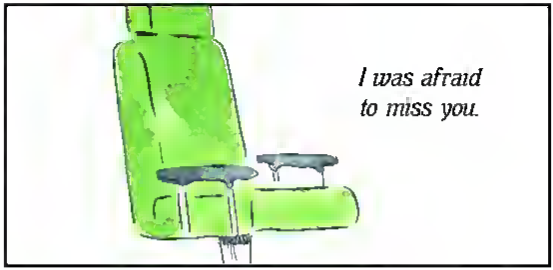
"Would you study with me?"



(TN: HE SAYS "I TAKE RESPONSIBILITY FOR RAISING YOU (LIKE THIS)" BUT THAT'S WEIRD SO IT'S MORE LIKE HE ALLOWED HIM TO ACT AND BEHAVE THE WAY HE DID. HE STILL BLAMES HIMSELF.)

You were
arrogant,
self-centered,

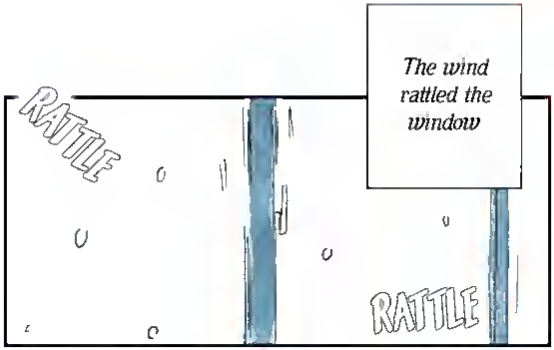
and he inflicted a big wound on my friend



I was afraid
to miss you.

YOU SON OF A BITCH!
GO TO HELL!
SHUT

I watched TV until my mom came back



The wind rattled the window
RATTLE
RATTLE

It was screaming
like it wanted to be open

I wished that when I opened my eyes
I'd lose all my memories.
